**Memo: Lockdown practice**  
**Date: June 5<sup>th</sup>, 2018**

---

Dear Parents / Guardians,

On Tuesday, **June 12<sup>th</sup> 2018**, we will have our last lockdown practice of the year for the whole school. The first two practices were in January and March 2016, and the students performed well. The department of education requires all schools in the province to put in place an emergency plan in case of a dangerous intrusion. The staff and the students need to be prepared to react in the event of a dangerous situation. As with our fire drills, we are asked to have repeated practices in the school year, in this case three times, in order to review our plan and to improve it.

After each practice, we make recommendations to the district and to the French association to improve the security in the school and the community centre. Teachers will speak to the students about the lockdown in order for them to get familiar with the procedures, for the youngest students this will be presented as a game of hide and seek.

Please, contact the school by email; [ecole-gv@csfptnl.ca](mailto:ecole-gv@csfptnl.ca) or by phone at 754-8000 if you have any questions regarding this practice.

Merci.
